Varsity football has a losing year

Football at Madison is under a new coach, Mr. Deering. He has worked with the squad for the past several years and took over this year when Mr. Kovats resigned the position.

The Football Squad was off to a bad start this year when they lost the Little Brown Jug to Perry again this year. The game with Mentor was a real blow with a loss of 6-33.

A win in the North game made the fans feel like we might be on the road to recovery, but the Astabula game, which should have been a winner, was a 9-28 loss. The boys won the Edgewood game and looked fair, but this was followed by four defeats and no scoring in any of these games.

A win at Riverside made a dull season a little brighter. Madison students look for a better year in '82. This is the first year for sometime that we have had no players honored by the local papers for outstanding plays, may the next one be a bit better.

JV has an outstanding season 7-2-0.

After a frustating 0-0 tie with Perry, the JV Streaks rose up and battled the Mentor Cardinals to an 8-8 deadlock. This marked the beginning of a "second" season, the JV Streaks would go on to the remainder of their games. Madison - vs- Eastlake North 21-0, Ashtubula 28-0, Edgewood 8-6, Geneva 18-10, Conneaut 18-0, St. John 28-0, Harbor 20-0.

Outstanding performances throughout the season were turned in by juniors Dennis Yard (QB), Steve Frania (OE-DB and kick returner), Doug Yard (OG), Rick Persinger (RB and leading rusher, scorer), Ken Malinowski (DE). Special mention to the following sophomores; Randy Hyrne (FB); Tim Rees, Walt Spaulding, Jim Clark, Mike Leitch, offensive linemen. On defence; Jim Wallace, Carl Hollister, Tom Potti, Mike Loxterman, Greg Zilke, Larry Hall, Tony Ciammiachella, Mike Woodworth, Jay Davis, and John Dobbins, Distinguished themselves through their aggressive performances.

"An undefeated season is a rare occurences; these young men will proudly remember the 1981-82 season that proved their willingness to sacrifice and strive for team glory, and earn so much for themselves in the end," said Coach Snyder.

The cheerleaders go bananas!

The 1981 Varsity Cheerleading squad had high spirits and hope for the Football team through a tough season.

Squad Captian, Kim Horvath, and crew: Annie Heiduk, Katie Orris, Renee Rogers, Jodie Myers, Linda Notte, and Julie Scott gave their support and energy to the team, fans, and school.

The team depends on them for support and they have done a excellent job representing Madison High.

Spirit promoted!

The varsity football stats did a good job this Year when it came to knowing the scores and knowing who did what.

In the cold of this falls weather they worked to get the stats in on all games. These records help coaches in player evaluation and team improvement and spirit.

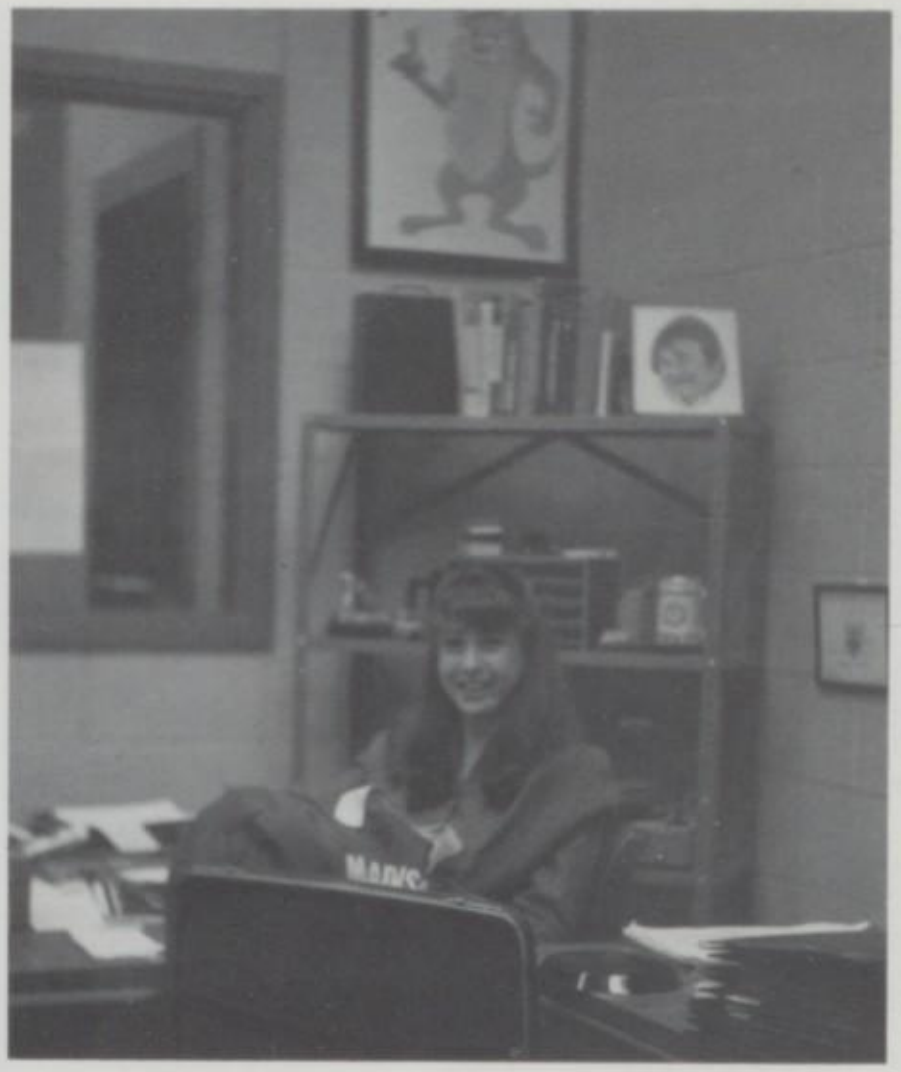
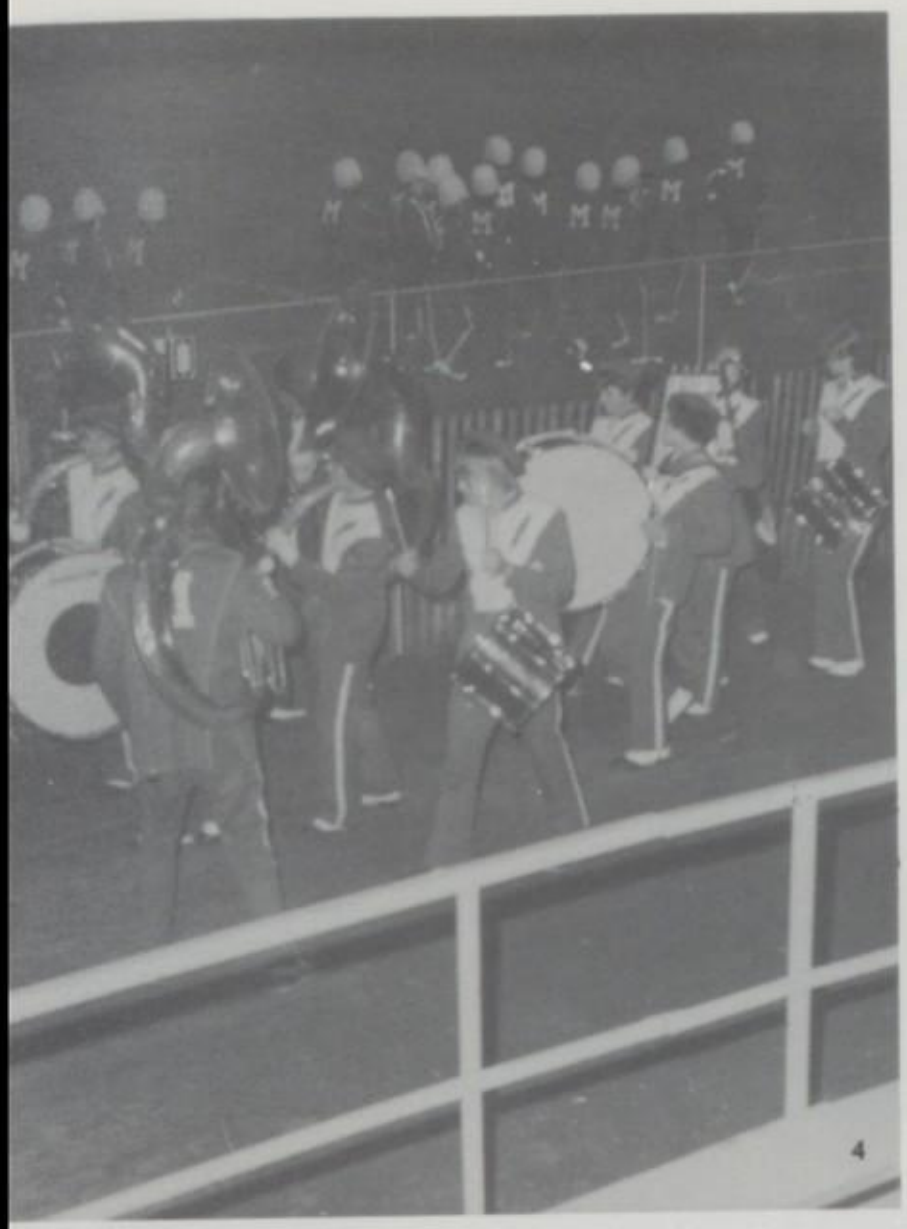
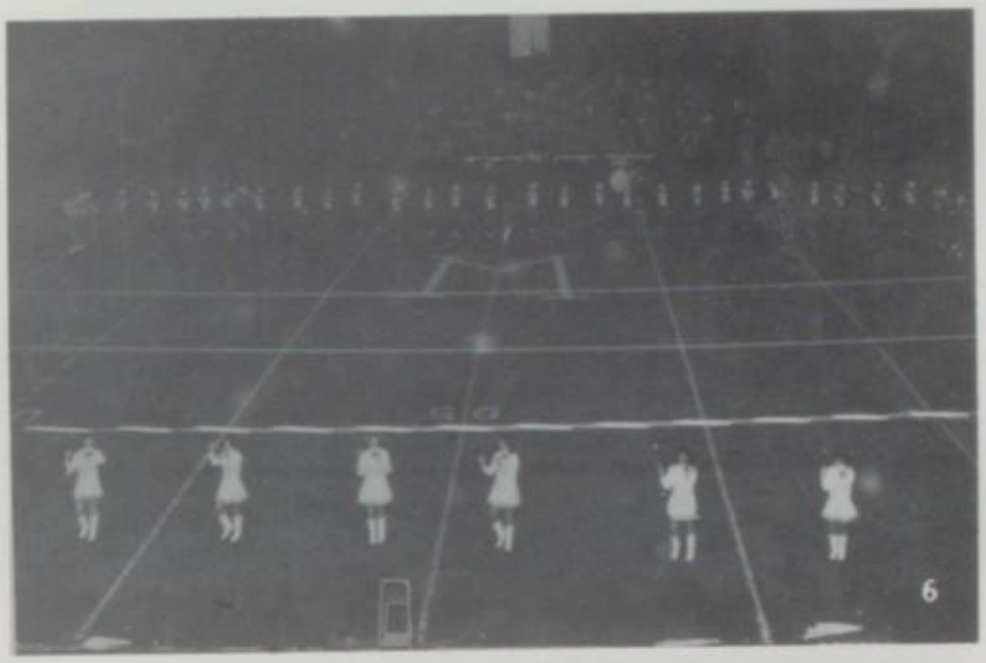
Band members hang tough in '81

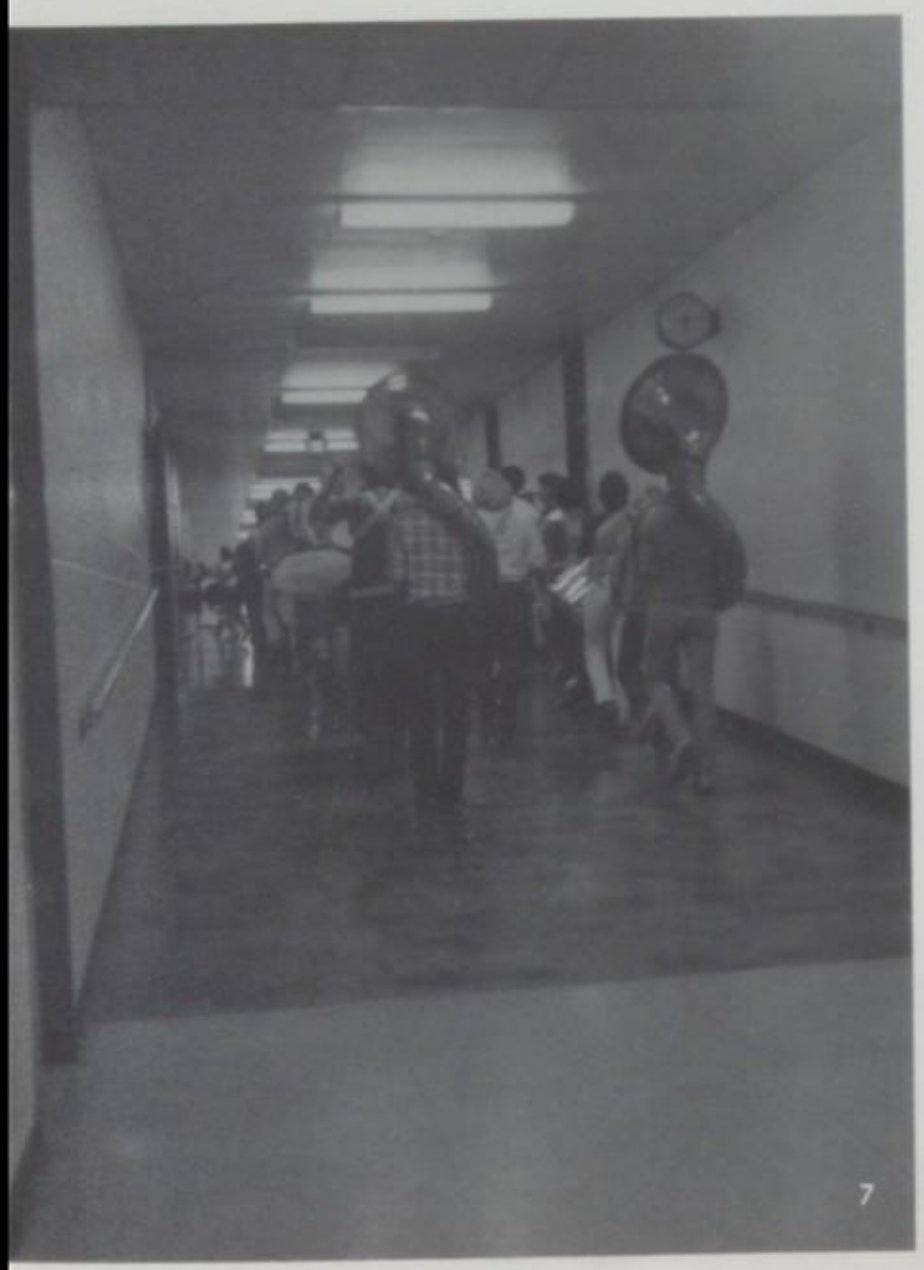
The 1981 Marching Blue streaks survived a rough year due to bad field conditions and lack of funds. Band camp this year was held at Red Bird Middle School in Madison on the last week of August. The Marching Band participated in all the football games this year and offered support to our team.

This year the Marching Band participated in the St. Patricks day parade in Cleveland in mid-march, and marched in the Grape Jamboree in Geneva. They also participated in two festivals in Mentor and Wickliffe along with many other bands from the Lake County area. And to add to that the Band covered all local events such as the Old Fashion Day parade and the Memorial Day parade.









1. Drum Majorette, Beth Green takes a breather at Mr. "A's" desk. 2. The Band gets in step with "Cotton-eye Joe". 3. This band's giving handouts! 4. The drummers prepare for the moment of truth. 5. "The Grand Illusion for Homecoming."

The 1981 Homecoming was held on November 14, in the School Cafeteria. The Cafeteria was decorated in a style of "The Grand Illusion!" Many couples danced to the music played by Riskay.

Through - out the evening couples danced and had their pictures taken. Half way through the event the Senior class President Doug Foote announced the homecoming court and presented the Queen, Lisa Bosley. The court sat on a decorated stage for pictures. This was followed by a slow dance for the Court and Queen. Couples left throughout the evening to top off the night with a dinner engagement.

1. Homecoming Queen and court Left to Right Ann Naughton, Denise Kovalchik, Lisa Bosley, Debbie Zehe, and Natalie Stubblefield. 2. Lisa Bosley, the new homecoming queen shown with her father. 3. Varsity Volleyball shows improvement

The varsity volleyball team completed a 4-10 season which ranked them 7th. in the N.E.C. The team consisted of 9 juniors and 1 senior. Although many may not think of this as a great accomplishment, it was an improvement over the 1980 season, it is felt that with help from a strong J.V. squad they could be very competative in 1982.

1. Christie Cox returns the ball as Karen Davis watches. 2. Julie Cornell spikes one over the net! 3. Kelly Barnes leaps into action! 4. Jodie Myers goes for the return. 5. Helen Conrad puts it over the net 6. Melanie Stansak goes for a high one. 7. The varsity volleyball team ready for action.

Hard work makes volleyball season.

The J.V. Volley Ball Team Completed a 1-9 Season. The Team Consisted of 8 Sophomores and 7 Freshman. Although The J.V. Teams Season was not one of Great Accomplishments. It was a team effort put forth with hard work and that's what counts.

The boys cross country team continued its winning ways with a record of 5 and 3. The 1980 and 1981 seasons will be remembered as the years when the cross country team was building for the future, the 1981 team was a very young team with only two seniors, co-captains Rich Dame and John Galvin.

The season was highlingted by outstanding performances from Freshmen Todd Braunlich and Mike Wilson, Junior Brian Stevens, Sophomore Brent Rupinski and the two Senior co-captains. The future is bright for next year with much depth from varsity members Jon Sprague, Danny Harrison, Eric Heichel, Butch Dodson and Dave Shumaker returning, and a strong contingent of new runners like in Phil Potter, Mark Swanson, Mark Strother, Duke Dipofi, Kelly Kooser, Mike Mills and Rob Rozich.

Learning for the future

Auburn Career Center Commonly reffered to as Vo-Ed is a work experience center. Students in 11th and 12th grade may choose a field in which they want to work. They then receive training in their chosen field.

While at the career center class time is divided into two areas related and lab. Lab is when students apply skills. Related time is when students learn skills and apply similar concepts.

After the daily required hours at Auburn students return to the High School for other work. That time will be used for a class in History and any other required work.

Preppies

It's a new craze, a new fad
They dress in their green,
pink, and plaid.
They walk around all neatly
dressed
They never give their

They prance through the hall
Thinking they're so much
better
Just because their preppie
socks
Match their preppie sweater.
You see them gallavanting in
their top-sider shoes
Any other style would give
them the Non-Preppie

Tennis fans see a fair season on courts

Not always on the right end of the score but a lot on effort made for an interesting Tennis season. Larry Clemente was rated the best man on the team. John Katona and Bob Roziack was given the best rating, Kevin Ellwood made it to the third round at sectionals before he was defeated.

The other members of the team included coach Mr. Higley and Claude Pauquet, Dave Kahley, Russ Yard, and Keith Kettlewood who tried to learn the game and put out their best at each match. We will look for a better season this spring.

Baseball has a good season at 16-9.

The Blue Streaks once again finished a successful baseball season with a fine 16 wins 9 losses overall record. Inclued in this record was a second place finish in the NEC with a final total of 9 wins and 5 losses. The Streaks led the Conference the entire season only to lose to eventual winner Geneva by the close score of 1-0. The highlight of the non-conference was the shell-shocking of former state-champion Shaker Heights 18-12. Kevin DiPofi led the Streaks torrid hitting attack with five hits. TJ Paquin was able to pick-up the win over Shaker

Several Streaks distinguished themselves with outstanding play. Kevin DiPofi and TJ Paquin were selected on the All-conference team. Pat Melia led the Streaks with five game winning runs batted in. Todd Kingery batted in 15 runs while only striking out only two times the entire season.

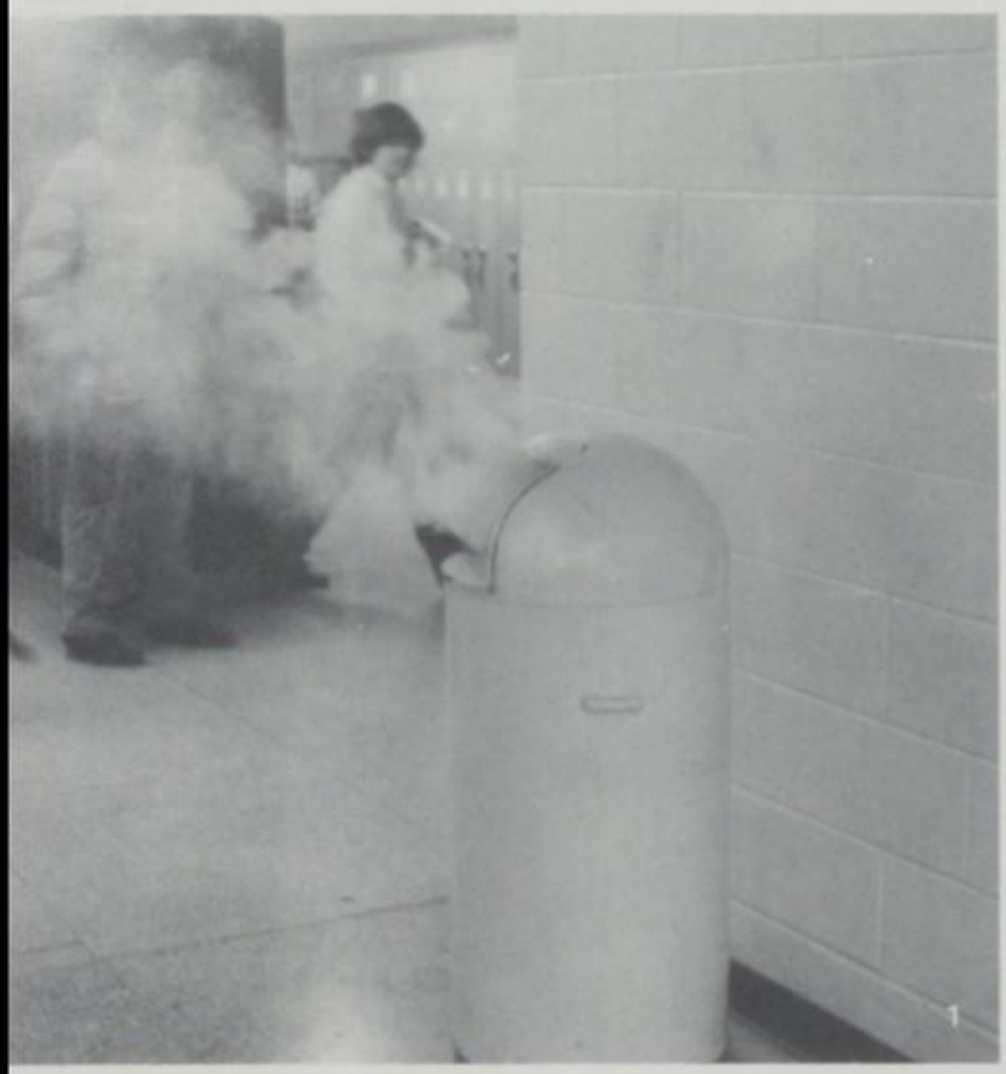
The Shadow gets caught!!!



The Shadow has been a serious charactor in our yearbook this year. Created by the staff it has been used to humorously show just how much vandalism goes on in our school. We now hope that since we have shed light on these activities that you will do your part to help end this in the future. Look at our school, it is a reflection of us, how we are, and will be in the future. Just what kind of impression do people have now? Let's do our best to change that. If we take pride in ourselves as well as in our school, people will have more respect for us. Let's do our part to bring the shadows at Madison High School out in the sun. Help stop VANDALISM!!

Sincerely Yours,
Yearbook Staff
